STUDENT SUPPORT TEAM 2013

This year we have a very proactive Student Support Team. Phillip Brand and Robbie Potter initiated the group and chose the distinctive turquoise t-shirts that the team wear. The other members of the Student Support Team are Te Waiti Rawiri, Paris Miller, Hannah Dawson and Sarah Miller. The team performed a skit at assembly which demonstrated to the school how to ask them for support and advice. Each day of the week a Student Support team member is on duty in the playground.

BIATHLON / TRIATHLON

The annual Rotokauri School Biathlon / Triathlon was held on Wednesday, the 6th of March. Rainy weather, which was almost unheard of recently, started the morning off but this did not deter our determined Junior School students from putting a huge effort into their races. Fortunately, the weather cleared for the Middle and Senior School races. It was wonderful to see the effort students put into their races.

CAMP NIGHT AT THE SCHOOL – 15 MARCH

Last year we had our first camp fire night at school. It was an enjoyable, fun evening. Sleeping at school in a tent is an exciting experience. Because of the fire restrictions in place due to the drought we are unable to have a fire this year but the rest of the evening will be as planned.

If you have a tent, and are willing to supervise your own children and take responsibility for them, this is an ideal opportunity to camp out and spend time with friends. The other option, if you do not own a tent, is to attend for the barbeque and games. The overnight camp on the school grounds will take place tomorrow, Friday, 15th March.

Basic Programme

- | | |
|---------|--|
| 5.30 pm | Set up tents on the school field. |
| 6.30 pm | People to bring their own barbeques / or bring things to put on school barbeque. |
| 7.30 pm | Play a few sports and games. Take the children for a swim. |
| 8.30 pm | Toast a few marshmallows on the BBQ — get a guitar, sing a few songs. |
| 9.30 pm | Put the children to bed and then enjoy a bit of quality parent time. |

BASIC FACT-A-THON

Each year we do a fundraiser that involves the students doing or learning something. This year our main school focus is maths so we will be doing a Basic Fact-a-thon. This is a worthwhile fundraiser as the students are challenged to learn their basic facts and are tested at the end of the timeframe to see the progress that they have made.

Knowledge of basic facts is essential to success in maths.

Please support and encourage your child to learn the basic facts and seek sponsorship to fundraise for the library.

Students need to bring their Basic Fact-a-thon form back for testing day which is the 27th March. Each student's scores are recorded on the form and sent back home so that sponsorship money can be collected. Thank you for all your efforts supporting your children.

BOARD OF TRUSTEE ELECTIONS 2013

We are seeking people to stand for the Board of Trustees Election 2013. We are looking for people who can:

- Be learner focussed
- Ask questions
- Be a part of a team
- Think creatively
- Crunch numbers
- Run a business
- Step forward!

Please ensure that all contact addresses are correct for the office as we need to send nomination forms out to all caregivers.

NZ BOOK MONTH

March is New Zealand Book Month. Each student at Rotokauri School received a \$5 book voucher to encourage the joy of reading and the power of literacy.

These are some of the ideas that the National Library promote to help your child become a reader:

- Reading aloud to your children is the most important thing you can do to help them become great readers and listeners. Most of all they will love you for doing it and will remember the times you read to them all their lives!
- Read aloud with your child every day – it could be in three lots of five minutes. Reading the same book over and over! again is OK too.
- Talking helps children become readers too.
You can help by – sharing books together – sit and look at the pictures, talk about what you see and what it makes you wonder.
Telling your children your family's own stories and encouraging them to tell them to you too...
- We learn to read by reading.
- Time and practice, little and often and make it FUN!
- Children read more when they have:
 - A wide variety of books, comics and magazines around them that they can enjoy.
 - A place to read.
 - Time to read. Build it into your routine, before school, at bedtime, in the car...
 - Ask your school library for books for your child, and get LOTS from your public library too!

ROOM 3 GUPPIES

Room 3 have some guppies and really need a filter for our tank. If anyone has a spare one we could use for this year please let me know. Thanks ☺

NEW WORLD TE RAPA

Over the past two years we have been lucky enough to work closely with Te Rapa New World by being a part of their school sponsorship programme. Through this

NEW WORLD
Te Rapa

sponsorship programme, **Te Rapa New World has donated nearly \$10,000 to our school.** This is an amazing amount of money, and the staff and students really appreciate being a part of the programme.

This money couldn't have been raised without the support of our Rotokauri school community. Thank you to those people who are signed up to our Fly Buys scheme and who shop at Te Rapa New World.

The way it works is whenever someone who's signed up shops at Te Rapa New World and swipes their Fly Buys card, each point they earn is matched by Te Rapa New World for a dollar. If they earn 2 points from their shop, then New World will give the school \$2. This money is collected up about 3 times a year, and given to our school in vouchers for us to sell back to our school community. The vouchers are sold at our school office during certain times through the year. They are sold for \$50 but they are worth \$55 when spent in store. That means our school community can save \$5 for every \$50 spent on their groceries. All the money that we get for those vouchers we get to keep.

We have put the money to good use I can tell you! Combined with other fundraising money we have been able to upgrade our IT equipment. The children and staff are really enjoying using the new equipment. ☺

Every little bit helps! – If you would like to get involved in the programme and help us raise money for our school, pick up a sign up form from the school office. If you have any friends or family who you know shop at Te Rapa New World, then please sign them up too. All you need is their Fly Buys number and a contact email address. It's as simple as that!

Thanks again for supporting our school through the Te Rapa New World Sponsorship programme ☺

MESSAGE FROM HAMILTON CITY CYCLING CLUB

Hamilton City Cycling Club held a very successful cycling race on the 9th March. Thanks to all the Rotokauri residents who supported the event.

However, one dishonest person who was travelling down Duck Road took the liberty to steal some expensive timing equipment worth \$6,000.00. It is of no value unless you want to time cycle races!

Please, if you know anything phone 027 280 8205 or return it to the Rotokauri School office, no questions asked.

BIKE SAFETY

Please ensure that your children wear their helmets when cycling.

PAST PUPIL – BREARNA SALVATIERRA

As a past pupil who attended Rotokauri School, it has been awesome to be able to come back every Thursday for five weeks and see changes, lots of new faces and past pupils grown up almost taller than me.

I am a Year 11 student at Hamilton's Fraser High School and there is a course by the name of GATEWAY that offers work experience in the career paths you may want to pursue. I know of many older students who have left school and entered a big wide world and started a career that they were interested in and then found it wasn't for them. The GATEWAY Programme is amazing and you gain credits for participating in it. The students in Room 1, 2 and 3 have been a pleasure to interact with and help out with their reading, writing and swimming.

I have enjoyed my time at Rotokauri School and will be back to visit at the End of Year Prize Giving. I hope that students, staff and families have a great year and a big thank you for having me.
