Excellence

PRINCIPAL'S PIECE

Welcome back to Rotokauri School for an exciting year ahead. We hope that you have all enjoyed your holidays with your children.

We start the year with our biggest starting roll of 202 students and having 8 classes operating. In the classes, routines are being established, testing has begun and programmes are underway. Thank you to the families that have organised stationery for their children.

This year we have three new staff members that join our TEAM at Rotokauri School. Welcome to Mr Hans Verberne, Mrs Tracy Hopewell and Mrs Casey Sanders.

Mr Verberne is our new school caretaker, and we thank him already for the amount of work he has done over the last month tidying the school and making it safe for the staff and students to start the year. Mrs Hopewell comes to us from Te Awamutu Primary and will be teaching in Room 2. Mrs Sanders is returning from maternity leave and will be teaching in Room 7.

A warm welcome to our new families that have enrolled at Rotokauri. We hope you enjoy your association with the school and quickly get to know the staff and parents in this wonderful community. Welcome to: Isaac Hapi, Kaylee Clark, Alex Dombroski, Ryan Russell, Hannah Towl, Adam Towl, Sullivan Hopewell, Connor Hopewell, Brooklyn Sewell and Brooke Watkins.

Rotokauri School is a great place to work in and it is important that you and your children feel that it is a great place to learn in. The most important thing you can do for your child, is to get to know and form positive relationships with his or her teachers. Please make sure you take the time to pop in and say hello or send an email to their classroom teacher, and come along to our Meet the Teacher evening. The holidays have been a busy time at the school with the refurbishment of the multi-purpose room. Unfortunately our MPR and administration block are 'leaky

buildings' and the Ministry of Education are rectifying this over the next 3 – 4 months. We appreciate that this will cause some disruption and inconvenience, and we apologise for this. We will keep you updated as the project develops.

The holiday period has also been a time when we have had a number of incidents occur on the school grounds. There has been vandalism with the students bird houses deliberately smashed down from the trees.

If you are aware of who the culprits are please report them to the school office. We would like your help to ensure that our school grounds are protected from this type of behaviour in the future, so ask that if you see something happening you take down information such as number plates, possibly photograph what has happened or if safe, ask the offenders to leave the school grounds. The BOT have been informed about the incidents and will be investigating ways to increase our school security.

We have an exciting year planned and here are some main events to look forward to this term –

- Term 1 – Xtreme Waste trips, Patter Tennis, Biathlon/Triathlon, Leadership Camp (Year 8), Get Set Go Day (Years 1/2), school swimming competitions, Fishing Tournament, ERO visit, Hangi, Softball and Senior Interviews.

I know that this is a long newsletter, but there is a lot to introduce at the beginning of the year. In future, they will be considerably shorter.

Please feel free to contact me at any time via phone, email

(dsmith@rotokauri.school.nz) or knock on my office door. I look forward to working with you all as Acting Principal for the remainder of Term 1.

TERM DATES:

Term 1	7 th February – 13 th April
Term 2	1 st May – 7 th July
Term 3	24 th July – 29 th September
Term 4	16 th October – 20 th December

BELL TIMES:

8.30 a.m	Students may enter the school grounds.
8.55 a.m	Students to class and parents to leave classrooms
9.00 a.m	School starts
10.30 – 10.50 a.m	Interval
10.45 a.m	Two bell rings for students to go to toilet and have a drink
10.50 a.m	Students to class (one bell ring)
12.30 – 12.45 p.m	Lunch eating time – children to be released by duty teacher when bell rings at 12.45 p.m
12.45 – 1.30 p.m	Lunch
1.25 p.m	Two bell rings for students to go to toilet and have a drink
1.30 p.m	Students to class (one bell ring)
3.00 p.m	School finishes

BOT NEWS

Happy New Year and welcome back to Term 1. This year your BOT aim to keep you updated on all the projects and items that we are involved in during 2017. We will have a regular slot here in your schools Newsletter so keep an eye out for us.

COMMUNITY CONSULTATION

Last year the school sent out a community consultation. We had some great feedback and this year our plan is to look over every question and analyse the feedback. We will be updating you about the outcome of each question. It is our aim to see what we do well, what we need to improve on and how we, as a Board and school, can help to keep Rotokauri School awesome for all our children.

We would like to thank everyone for their patience while we have work being completed on our Multipurpose Room. It is obviously difficult in regards to parking and getting in and out of the school quickly. To help keep everyone safe don't forget to follow all the rules in regards to the drop off zone and remember you can use the driveway that leads into the school field to avoid this top area all together.

PRINCIPAL APPOINTMENT

We are sure you are all excited to find out how we are progressing with this very important appointment. We are currently advertising the position in all the appropriate places to attract as many applicants as possible. The closing date for applications is tomorrow, 17th February.

After the closing date the BOT, selected staff and our consultant Richard will be sitting down and viewing all the applications to make a short list of those we wish to visit within their current schools. We aim to make these visits around the 20, 21 and 22nd of February.

From here we will short list even further and then go into interviews.

We are aiming to have our new principal start day 1 of Term 2.

The BOT would like to thank all the staff, parents and children for their patience and support while we work through the process of appointing such an important position within our school.

ADVENTURE TRAIL UPDATE

Welcome back everyone, as you will see the first stage of the adventure trail is looking great and we hope your children are enjoying it. This year we will be working on adding more to this trail and aim to have it completed by the end of the year. We have been very lucky to be chosen by The Warehouse in town for their "Bags of Good" fundraiser. So if you are in The Warehouse in town look out for our flyer and place your token in our container and help us to fundraise enough money to complete this second stage.

If you would like to join the committee we will be having a meeting near the end of this month, more details to come.

We need your help to build a Community Adventure Trail at Rotokauri school.

We aim to

- ⇒ **Build confidence**
- ⇒ **Promote team work**
- ⇒ **Include all skill levels**
- ⇒ **Provide fun and adventure for our community**

Fundraising at The Warehouse (Town Branch) “BAGS FOR GOOD NEIGHBOURHOOD”

Rotokauri School along with two other local community groups / charities have been selected to participate in the Bags for Good Neighbourhood Partnership at The Warehouse central branch in town.

When you purchase a 10 cent plastic bag you can then place a token in the voting box at the end of the check out.

This is a great fundraising opportunity for the school and the proceeds from this will go towards finishing stage 1 of the Adventure Trail.

Runs from February – July 2017.

Please spread the word to Family and Friends.

SWIMMING GOGGLES & CAP \$5.00

We have available for purchase at the school office, goggles & cap \$5.00 per set
Pay and collect at the school office.

Yummy Sticker Promotion

Please carry on collecting these for our school all year round

Collect Yummy Stickers for our School to get a share of Sports Equipment.

Collect Yummy Stickers Here:

NEW WORLD

Purchase either bags with cut-out labels or individual apples with yummy stickers.

Bring these to school and place on the Yummy Sticker Charts provided in each classroom or on your chart at home and drop into the office when complete. (the underside of your child's lunchbox lid makes a great temporary place to get the stickers to school safely)

You can print a yummy sticker chart from:

http://www.yummyfruit.co.nz/pdf/Sticker_Collection_Sheet.pdf

To view the items that are available to our school: <http://www.yummyfruit.co.nz/pdf/2016-YummySportsGear.pdf>

SCHOOL LUNCHES

Due to the renovations there will only be Subway and sushi available for ordering. Orders will be taken in the Library on Mondays.

GENERAL MATTERS

ABSENCES

This is an important request and thank you in advance. If your child is absent from school please notify the school office by either phone or email. The school needs to know the reason for the child's absence as well, as this is recorded on our Student Management System and is a Ministry requirement. It would be appreciated if this could be done before 9.00 am.

SIGN IN SHEET

All people entering the school within the hours of 9.00 a.m – 2.30 p.m must use the sign in sheet at the office. This includes when you are dropping your child off at school late – please ensure that they have notified the school office of their arrival.

SWIMMING POOL UPDATE

Thank you to the pool volunteers who have kept the school pool looking fantastic during the holidays. I am certain all the key holders have appreciated your efforts, as on many occasions when staff have been at school over the holidays, the pool has been well used.

Thank you also to our caretaker for displaying the beautiful artwork that Mrs Skiffington and some of our students produced last year.

On a sad note, it is disappointing to hear about dangerous incidents that have occurred in the pool area. Teenagers diving from the roof of the buildings or the fence into the pool is incredibly dangerous and inappropriate behaviour. If you know who these young people are please let us know. To all key holders, please remember that you signed a pool agreement to adhere to the rules outlined within the contract. Allowing teenagers to swim unsupervised is not appropriate and keys will be removed from key holders.

SCHOOL DONATIONS

This year the Board of Trustees has made the decision to leave the school donations at \$100 per child, maximum of \$250 per family. This is used to support the school budget. All donations are gratefully received and can be paid to the school office. You are able to claim a tax credit from all donations.

MATHS WHIZZ

Again this year the students are able to access the Maths Whizz programme at school and home. Teachers will be using Maths Whizz in their classroom Maths programmes. The cost for the entire year is \$30 per student, this can also be paid to the school office.

MEDICAL REQUIREMENTS

Please ensure you come to the school office to fill out a medical form if your child requires medication during school hours. If your child needs to use an inhaler please ensure that they are brought to school, named and in a sealed plastic bag.

PEANUT FREE

At the present time we do not have any children enrolled with a Peanut Allergy, therefore we are going to allow peanut products e.g peanut butter in children's lunch boxes. If we receive notification about a peanut allergy we will need to re-instate our Peanut Free Policy.

RELIGIOUS INSTRUCTION

Religious instruction for this year will begin on Tuesday, 21st February from 9.00 – 9.30 a.m. If you do not wish for your child to be involved in this please write a letter explaining this, addressed to the Principal and hand in to the school office prior to lessons beginning. Children that are not attending religious instruction will be supervised at school.

SWIMMING

It is an expectation that students will be swimming in their class time, unless there is a note/phone call received providing an explanation as to the reason for non-swimming. Please check with your child's classroom teacher for the swimming timetable because classes are not swimming on a daily basis, as per the swimming pool regulations.

MEET THE TEACHER

Monday 20th February at 7.00 p.m.

This is an opportunity for parents/caregivers to meet the staff/BOT/PTA, find out information about the school systems and classroom routines/expectations, and allows for teachers to answer any questions that they may have about their children's learning. Further information will follow.

GIFTED AND TALENTED

Parents are invited to check on the school website for access to our Gifted and Talented Parent questionnaire. If you don't have access to the website feel free to contact Mrs Hollingsworth or Mrs Kirkham for one. We encourage parents who feel their child is gifted or talented in any academic, social, cultural or sporting pursuit to complete this short questionnaire. The information from this provides our teaching staff with valuable insights about your children.

Our school defines gifted and talented students as "those learners who have the potential for outstanding performance (equivalent to 2 years and above their chronological age) and achievements in a wide range of areas."

By the end of Term 1 the teaching staff will have worked through the questionnaires from parents, alongside the teacher questionnaires and supporting school data to identify those students who will be included in our school G & T register. Teachers will then plan and implement learning programmes to support and extend these students. In many cases, this will take the form of providing differentiated/extension learning opportunities within the classroom. There may also be times where these students are able to access options for extension outside the classroom. We will also continue to give these students the opportunities to participate in external examinations such as ICAS and Science Technology Challenge, as we have done in the past. Parents will be contacted by letter for permission to be included in any additional programmes outside their regular class programme. If you require further information about the Gifted Talented programmes at Rotokauri School, do not hesitate to contact either Mrs Kirkham or Mrs Hollingsworth.

MĀORI CONSULTATION HUI – THURSDAY 23 FEBRUARY 2017

Next week on Thursday, we are holding a Māori Consultation Hui in the staff room at 7.00 pm, everyone is welcome to attend the meeting. We hold a Hui once a term and would love your input and ideas. We will be discussing upcoming events planned for this term and ideas for the coming year.

Hope to see you there.

Mary Evans – Room 4

CELEBRATIONS

STUDENT COUNCIL

The students in Years 7 and 8 have been given the opportunity put in an application to be part of the 2017 Student Council. Students in Years 4 – 8 have voted after reading the student's applications and staff have also had input into the voting. We would like to congratulate the following students for being voted as our Student Council – Eden Miller, Connor Hopewell, Liam McLaughlin and Ella Kells.

HOUSE LEADERS

Another leadership position in the school is our House Leaders. The staff have chosen the following students for 2017 –

Kowhai – Daniel Cameron, Tegan Barham, Lily Daniels, Dylan Westgate, Vanessa Campbell

Whero – Liam Townsend, Rebecca Perham, Bailey Lochore-Halpin, Reiley Samuels-Porter, Danny Caulfield

Kakariki – Hazel Rodney, Tahlia Farrell, Adam Fryer, Liam Cornelissen, Molly Fletcher

Kikorangi – Parsa Soltanizand, Isaac Collinson, Heidi Perring, Daniel Prangnell, Seth Dixon

ELLA PRANGNELL

Thank you Ella for your wonderful efforts at the end of last year raising awareness of the plight of the New Lives Animal Rescue and collecting in donations from members of the school community.

REMINDERS

CARPARK

Thank you to the parents/caregivers that are currently using the bottom carpark as an alternative for picking up their child/children. This takes the pressure off the top carpark. The median strip on the road is not supposed to be used for parking in for long periods while waiting to enter the carpark. Therefore, we ask that all vehicles entering the bus bay zone promptly pick up children and then move off. It is not designed for parents/caregivers to park and leave your vehicle in the bus bay zone or for vehicles to block the traffic flow by waiting for a long period of time for your child/children to arrive. If your child is not in the bus bay zone please find a carpark and wait for them there.

A friendly reminder that the pedestrian crossings are to be used by all adults and children on the school grounds. There have been a number of incidences where parents/caregivers have ignored the pedestrian crossings and even after being reminded by staff and students continue to walk randomly across the carpark area. This is not acceptable and the students have noticed the lack of consideration shown for our school rules. It is always our aim to keep everyone SAFE whilst on our school property. Your attention to this would be appreciated – please ensure all adults picking up your child/children are made aware of the Carpark Rules on display.

IMMUNISATIONS

The students in Year 7 and 8 will have received their immunisation information last week. Please have the consent form filled in and returned to school a.s.a.p. The information session is on Monday, 20th February in the school staffroom at the following times for any parents of Year 7 and 8 students.

10.00 – 10.30 a.m. Year 7

11.00 – 11.30 a.m. Year 8

CLASS AND PORTRAIT PHOTOGRAPHS

These will be taking place on Monday, 13 March. Envelopes will be sent out over the next few weeks when they have been received.

NEW WORLD FLYBUYS SCHEME

If you shop at Te Rapa New World and you have not already registered your Flybuys card, you can collect an enrolment form from Sharon at the office (most families would have received this in the Rotokauri School Enrolment Pack). Each time you swipe your Flybuys card at Te Rapa New World you are not only earning points for yourself but also for Rotokauri School.

BIATHLON / TRIATHLON

I hope everyone has done some running or kept active over the holidays because the annual Bi/Triathlon is early this year. It is held on **24th February**. Everyone that races gets points for their house group. The points each house is awarded from this event, School cross country and the new Rotokauri swimming sports gets added together at the end of the year to find the overall winning house. Parents are more than welcome to come and enjoy the day with us. Racing starts at 9:20am.

TOUCH – TERM ONE

Unfortunately we did not get enough interest in the Term One Touch Module being run at Swarbrick Park on a Thursday night.

We know a lot of our students enjoy playing this game and they love to compete against other teams. Like last year, we are going to run our own Touch Competition at school during a lunch break for our students.

If you would like your child to give this a go, encourage them to come to the meeting that we will hold here at school next week.

Thank you for your support.

TOPSOIL NEEDED

In order to complete the framing around the Adventure Trail obstacles we need some clean topsoil. If you have some available or can get some for us, please notify the school office and we will pass the message onto the appropriate person.

PARA KORE

Paul Murray (X-Man) assisted us in a waste audit on Monday. Prior to the audit we estimated that 50% of the items in the rubbish could probably be diverted from the landfill waste. How wrong we were! It was 70%! This gives us a lot of room for improvement. After our visits to the Raglan Recycling Centre, we will be discussing ways to manage a change to our “wasteful” habits.

We anticipate needing a new bin system and an attractive collection point.

Mrs Jacqueline Hill (Room 1) would be delighted to hear from anyone who has no / low cost bin access and any other no / low cost ideas. jhill@rotokauri.school.nz

TOUGH GIRL TOUGH GUY Friday 9th June 2017

Individual Entry

It's time to get tough and muddy! We are hoping to take another team to this event again this year (to the Friday challenge). We ask that you register your child by following the link or fill in an entry form and email or post it into the Tough Guy and Tough Gal organisers along with the payment. **Add in our school name**, this means we can pick up their race pack for them, on the day. We will also be asking for parental help and supervision closer to the date. www.eventpromotions.co.nz

WEET-BIX KIDS TRYATHLON

SUNDAY 19th FEBRUARY, 2017

Juniors aged between 7-10 years OR

Seniors aged between 11-15 Years

If your child is interested in participating in this year's Weetbix TRYathlon as part of our Rotokauri School group, registrations are done online for each entrant by parents/caregivers. To be acknowledged as part of our school group, please ensure when registering your child that when you come to “Which School do you attend,” you choose the school group “Rotokauri School” in the drop-down box, and then check the small box underneath to confirm you want to be linked to our school group.

All the information you need is on the Weet-Bix Kids Tryathlon website <http://try.weetbix.co.nz/> The TRYathlon is held at the Waikato University grounds.

Please check the website for any other information you need. Nothing needs to be returned to school, we are just trying to get some information to you so that your child doesn't miss out on this great sporting opportunity.

If you require further information, please feel free to ask Helena Kirkham in Room 8 or Mike Watkins in Room 6.

HAMILTON COMMUNITY CENTRE OF MUSIC

Please check the school website for information regarding Saturday morning music classes. Classes run from 8.00 a.m – 12.30 p.m at the University of Waikato, during school term times. They are group based music classes and cater for all ages and abilities. Fee and enrolment information is available by phoning 07 838 4611, email enrolment@hccm.org.nz or visit the website www.hccm.ac.nz

MARRZIPAN

Last week Jex Moore from Marrzipan spoke to all the classes about the drama classes that she runs on a Friday morning at school. Information is listed below –

Is your child shy? Do they feel intimidated by the idea of public speaking and performance? Do they sometimes find it difficult to make eye contact? Do they just need dedicated time per week to just be CRAZY?! Come and join the revolutionary self-confidence programme - Marrzipan! We run awesome drama classes at school, which focus on key life skills and public speaking ability. We play fun engaging games and perform at the end of term once to parents and once to the school. All scripts are original, engaging, educational and HILARIOUS. All children receive a certificate too to remind them they are awesome! You can sign your child up for a Trial Lesson via our website www.marrzipandrama.co.nz or contact Jex on 027 217 0693

FOOTBALL COACHING

Providing students with a variety of opportunities at our school is important to our staff.

We would like to offer a Football Coaching Programme at the beginning of this year.

Adam Thomas Football Coaching Programme aims to provide a structured programme for children to learn and develop in a safe and encouraging environment. The students all participated in an 'introductory' workshop with their class on 9th February 2017. Each child received an information hand out regarding the programme and how to sign up to the football classes.

Football coaching classes will run for 6 weeks on Mondays 20th February to 27th March from 3.15 – 5.00 pm.

The football coaching programme will cost \$60.00.

Olympic Football Coaching 2017

Olympic Football Coaching is all about kids having fun and being active in a safe environment.

We offer an enjoyable and challenging football program to develop and improve foot skills, coordination and to build confidence in children on the sports field. The football classes are designed for every skill level, from beginners to advanced players. Players are grouped by age, skill level and objectives for the term and work with enthusiastic and experienced youth football coaches from the Waikato.

There are limited spaces available so register early. For registrations or enquires contact

Adam Thomas

COOLING DOWN FOR SUMMER

HYDRATION FACTS

Over half of your body is made up of water. We lose water by:

- Sweating
- Going to the toilet
- Breathing

The best drink to hydrate us is water. It's freely available and contains no sugar.

Developed by Sport Waikato 2016

Fraser Tech Junior Rugby is having its 2017 weigh in days on Sunday the 12th and Sunday the 19th March between 10.00 am and Midday at the Clubrooms on the corner of Mill Street and Norton Road. All new and returning players (up to and including year 8) welcome and should present on one of these days. Any queries phone Kerry on 0274432094

NORTHERN UNITED FOOTBALL CLUB ENROLMENT

Registrations for the upcoming football season are available at www.northernunitedfootball.com Look under the 'Registrations' tab for the link to register for the 2017 Football/Soccer season. Information about the club, and the season, can be found under the 'FAQs' section of the website. You can also find us on Facebook (search for Northern United Football Club). Registrations will start to close towards the end of February so get in quick! All age groups are welcome, so that includes mums and dads if they are keen!

E2 YOUNG ENGINEERS

(Young Engineers) is all about having **fun** while **learning!** Young Engineers is an enjoyable programme for both girls and boys Years 2-8. Students come to class once a week during the term and learn about the basic principles of Science, Technology, Engineering, Maths and Physics by building motorised Lego models. We have various after-school locations including Cambridge, Hautapu, Claudelands, Chartwell and Hillcrest. Young Engineers will be starting the week of 7th February and will run for 9 weeks. For times and days, or to enrol, please go to www.youngengineers.nz or contact Ariana Paul – 021-2424567 ariana@youngengineers.nz

MELVILLE CRICKET CLUB

22 Jeanette St, Glenview, Hamilton 3206
Phone: 07 - 843 3107 Mob: 0211263324 E-Mail: ruswil@orcon.net.nz

The Melville Junior Cricket Club are still running their Junior Cricket Coaching Sessions on Wednesday 5-6pm at Melville High School.

These sessions are **not** weather dependent and if raining will be held in the Melville High School Rec Centre – behind the school Gym.

We have also entered some teams in the Local Friday night Competition and the competition begins this Friday, so if you have any students wanting to participate in a Cricket Team please contact me as we may have a place for them.

Any queries please contact Sandie Gordon on 0274-851-869 or hussey-family@xtra.co.nz

We also have coaches willing to run Cricket Tasters in your school – please contact me if interested.

BABY SITTER AVAILABLE

Hi, my name is Gemma Yorke, I am 15 years old and an ex Rotokauri student. I am currently a year 10 at Waikato Diocesan.

I am looking for local babysitting jobs, so if you are in need of a baby sitter please let me know as I have experience and am very keen.

My cell phone number is 0272958574.

"WHO CHEERS, CHANTS, JUMPS, TUMBLES, DANCES, BUILDS PYRAMIDS AND HAS A WHOLE LOT OF FUN? CHEERLEADERS DO!"

We offer fun but structured, competitive and non-competitive classes for athletes who want to learn the basics of Cheer and Tumble.

Book your FREE trial class by calling 0800 TO XTREME or email us at xtreme@allstarcheerleaders.co.nz

"We look forward to seeing you in a class soon!"

Do you want to make a difference in a child's life?

Child, Youth and Family are currently looking for people in this area who can offer safe, caring, stable homes for young people in need of short term care, time out over weekends and/or holidays, or a home for life.

Our team will support you to understand and manage the challenges of fostering a young person, and we will be there with you to celebrate the successes.

You may be surprised; you could be just the right person to offer your care to a young person who needs you!

If you are interested in finding out more, or know someone who may be interested, or if you think you might be able to help in some other way then we would love to hear from you!

Please call Johnson Taoho, Care Services Manager, on 07 957 4740 or email johnson.taoho001@cyf.govt.nz
